

Intern Perks

BEYOND THE BUILD

Build Your Future

Our employees often describe our culture as “family” and our interns have said they feel like a “valued member of the team”. The company is committed to providing our interns with a meaningful and quality experience. We engage interns in fun workplace activities and support their overall professional growth and development.

Intern Perks

Housing

Housing is provided for all interns asked to move to a different area from their residence.

Team Building

S. M. Wilson sponsors several team events and outings.

Mentorship

All interns are assigned a primary and secondary mentor consisting of current or future firm leaders.

Goal Guidance

As part of our mentorship program, interns receive personal guidance with their future education and career paths.
