

PAUL HAYHURST EARNS LEED ACCREDITED PROFESSIONAL CREDENTIAL

Paul Hayhurst, Project Engineer at S. M. Wilson & Co., has earned the LEED Accredited Professional credential from the U. S. Green Building Council with a Building Design + Construction Specialty. A LEED Accredited Professional demonstrates a solid, current understanding of green building principles and practices, and shows a clear commitment to professional growth in the field.

Hayhurst joined S. M. Wilson in 2013, and holds a B.S. in Construction Engineering from Purdue University.

S.M. Wilson is a full-service construction management, design/build and general contracting firm with headquarters in St. Louis and Rollins Construction Company, LLC, a wholly-owned subsidiary of S. M. Wilson, in Indianapolis. S. M. Wilson is one of the largest general construction and construction management firms in the St. Louis area. The company posted \$307 million in 2012 revenues, and ranks 232nd in Engineering News-Record's 2013 list of Top 400 commercial contractors nationwide. For more information visit www.smwilson.com.
