

S. M. WILSON & CO. COMPLETES CONSTRUCTION OF \$12 MILLION ASSISTED LIVING COMMUNITY EXPANSION AND NEW SHORT STAY REHABILITATION CENTER

St. Louis, Mo., October 3, 2016 – S. M. Wilson & Co. has completed construction of a \$12 million expansion to its assisted living community and a new REACH short stay rehabilitation center at Lutheran Hillside Village in Peoria. The three-story, 38,000 square foot addition includes 24 new assisted living apartments and 24 short stay rehabilitation private rooms.

“Both new areas will provide space for innovation and compassionate care,” said Shelly Heiden, Executive Director of Lutheran Hillside Village. “Planned and constructed with thought to convenience and comfort, the new apartments and short stay rehabilitation rooms will allow us to grow our mission to help older adults in the greater Peoria area to live life to the fullest.”

The project began in April 2015, and represents the first phase of a two-phase building program that also includes renovations to the existing skilled nursing, assisted living and memory care assisted living areas, as well as physical, occupational and speech therapy rooms and dining areas. The second phase is scheduled for completion in late 2017.

Lutheran Hillside Village is a continuing care retirement community located at 6901 N. Galena Road in Peoria. Part of Lutheran Senior Services, Lutheran Hillside Village offers five levels of senior living services on a 37-acre campus. For
