

# S. M. WILSON HIRES STEVEN MEEKS, PE AS VICE PRESIDENT OF PRE-CONSTRUCTION AND ESTIMATING

St. Louis, Mo., November 9, 2017 – S. M. Wilson & Co. has hired Steven Meeks, PE as Vice President of Pre-Construction and Estimating.

Meeks brings 30 years of construction expertise to the position. In his new role, Meeks will lead and guide S. M. Wilson's Pre-Construction and Estimating efforts. He will provide oversight and assistance to project teams for budget tracking, cost analysis, forecasting, cost negotiations and change orders; ensuring accuracy and completeness. Meeks has the ultimate responsibility for ensuring the company successfully negotiates and bids projects.

"Steven will be a wonderful addition to our strong established estimating and pre-construction team," states Amy Berg, S. M. Wilson & Co. President. His years of leadership and experience will help our team fine-tune our processes to better serve our clients. S. M. Wilson is constantly evaluating how we can go Beyond the Build to better serve our employees, clients and partners and Steve will be an integral part of our growth moving forward."

Meeks is a Registered Professional Engineer in Missouri and holds a B.S. in Civil Engineering from Washington University.

S. M. Wilson is a full-service construction management, design/build and general contracting firm with headquarters in

St. Louis. S. M. Wilson is one of the largest general construction and construction management firms in the St. Louis area. The company posted \$280 million in 2016 revenues, and ranks 220th in Engineering News-Record's 2016 list of Top 400 commercial contractors nationwide.
