

S. M. WILSON PROMOTES JOSH WEBER TO ASSISTANT PROJECT MANAGER

St. Louis, Mo., December 18, 2018 – S. M. Wilson & Co. has promoted Josh Weber to Assistant Project Manager. As Assistant Project Manager, he will work with the Project Managers in coordinating the activities of a project to ensure schedule, document control and quality standards are met and projects are completed safely, on time and with approved budgets.

Weber joined S. M. Wilson in 2017 from a Kansas City contractor where he quickly demonstrated his perseverance as well as his ability to remain composed after joining a challenging project at the midpoint of Tallgrass Creek Residential Building 1.4. After working on Tallgrass Creek Residential Building 1.5, Weber became more involved in the project management aspects of the project.

Weber has begun work on the Von Maur Dry Good Stores and will be responsible for continuing to grow the long-standing relationship with high-end retailer, Von Maur. He has six years of construction experience, holds a B.S. in Construction Management from Southeast Missouri State University and is OSHA 30 certified.

S. M. Wilson is a full-service construction management, design/build and general contracting firm with headquarters in St. Louis. For nearly 100 years, S. M. Wilson has provided a complete range of services and has become one of the leading general construction and construction management firms in the Midwest. The employee-owned company is dedicated to going

above and beyond expectations for their clients by putting people first. In 2017, S. M. Wilson posted \$230 million. For more information, visit www.smwilson.com.
