

# S. M. WILSON COMPLETES CONSTRUCTION OF TRUFUSION FITNESS & YOGA GYM IN CLAYTON, MO

St. Louis, Mo., May 1, 2018 – S. M. Wilson & Co. has completed construction of TruFusion’s newest location, which is now open.

Located in Clayton, the 17,000+ SF venue features space for a unique blend of yoga, cycle, Pilates, kettlebell, barre, bootcamp and boxing allowing members to customize their experience based on their interests and fitness level.

“We offer a vast array of class styles that fuse multiple disciplines. With the uniquely blended classes that we offer, people would otherwise have to pay for memberships at three or more studios to find this much diversity,” explains franchisee Joe Goldberg. “We’re so excited to bring this unique concept to the St. Louis community.”

TruFusion St. Louis was designed and constructed to portray a

luxury atmosphere which derives partly from its upscale feel and partly from its organic accents. The gym features visually striking heated and unheated rooms.

The project also consisted of upscale amenities including spa-like locker rooms; the second location of the former Cardinals team chef's Revel Kitchen, offering bowls, salads and wraps, as well as smoothies and raw, cold-pressed juices; and a retail boutique offering the latest fitness and athleisure trends. Space was also constructed for childcare, massage and personal training.

FM Group Inc was the architect for the project.
