

S. M. WILSON PROMOTES JASON GASAWSKI AND KERRY LORTS TO SENIOR PROJECT MANAGER

St. Louis, Mo., September 26, 2019 – S. M. Wilson & Co. has promoted Jason Gasawski and Kerry Lorts to Senior Project Manager.

Gasawski joined S. M. Wilson in 2010 and has worked on a variety of projects including Ladue Schools, Link in the Loop, Metal Container Corporation Line 5, multiple Target stores and Von Maur in Grand Rapids. Most recently, he has led an initiative of developing and implementing a technical professional development program for Project Engineers. Gasawski holds a B.A. from Southern Illinois University–Edwardsville, is OSHA 30 certified and has 12 years of experience in the construction industry.

Lorts started as an S. M. Wilson Intern in 2011 and has proven to be a valuable asset to the team, working on projects including the BJC HealthCare/Washington University Medical

Center Campus Renewal, Blessing Hospital, O'Fallon Park Recreation and City Foundry STL. He holds a B.S. in Construction Management and completed the Construction Leadership Institute program from Southern Illinois University-Edwardsville and is ASHE and OSHA 30 certified.

As Senior Project Manager, Gasawski and Lorts will lead the pre-construction and construction process, managing multi-million dollar projects. Their duties include project planning, scheduling, tracking costs and maintaining logs for all project information.

S. M. Wilson is a full-service construction management, design/build and general contracting firm with headquarters in St. Louis. For nearly 100 years, S. M. Wilson has provided a complete range of services and has become one of the leading general construction and construction management firms in the St. Louis area.
