

S. M. WILSON PROMOTES JOSH WEBER TO PROJECT MANAGER

St. Louis, Mo., February 4, 2020 – S. M. Wilson & Co. has promoted Josh Weber to Project Manager. As Project Manager, he will be responsible for leadership and coordination for all aspects of the project(s) and is accountable for the project's success, as well as the success of the project stakeholders.

Weber joined S. M. Wilson in 2017 working on Tallgrass Creek Residential Building 1.4 and 1.5. Weber then transitioned to a lead role in managing a new client for S. M. Wilson, Dry Goods, which is a high-end retail brand owned by long-time client, Von Maur.

Weber's commitment to the success of his projects, attention

to detail, strong communication skills and client-focused approach has elevated him to his new position. Weber is OSHA 30 Hour Construction Safety and Health for Construction Industry certified and earned his B.S. in Construction Management from Southeast Missouri State University.

S. M. Wilson is a full-service construction management, design/build and general contracting firm with headquarters in St. Louis. For nearly 100 years, S. M. Wilson has provided a complete range of services and has become one of the leading general construction and construction management firms in the St. Louis area. The employee-owned company is dedicated to going above and beyond expectations for their clients by putting people first. For more information, visit www.smwilson.com.

S. M. WILSON PROMOTES JOSH WEBER TO ASSISTANT PROJECT MANAGER

St. Louis, Mo., December 18, 2018 – S. M. Wilson & Co. has promoted Josh Weber to Assistant Project Manager. As Assistant Project Manager, he will work with the Project Managers in coordinating the activities of a project to ensure schedule, document control and quality standards are met and projects are completed safely, on time and with approved budgets.

Weber joined S. M. Wilson in 2017 from a Kansas City contractor where he quickly demonstrated his perseverance as well as his ability to remain composed after joining a challenging project at the midpoint of Tallgrass Creek Residential Building 1.4. After working on Tallgrass Creek Residential Building 1.5, Weber became more involved in the project management aspects of the project.

Weber has begun work on the Von Maur Dry Good Stores and will be responsible for continuing to grow the long-standing relationship with high-end retailer, Von Maur. He has six years of construction experience, holds a B.S. in Construction Management from Southeast Missouri State University and is OSHA 30 certified.

S. M. Wilson is a full-service construction management, design/build and general contracting firm with headquarters in St. Louis. For nearly 100 years, S. M. Wilson has provided a complete range of services and has become one of the leading general construction and construction management firms in the Midwest. The employee-owned company is dedicated to going above and beyond expectations for their clients by putting people first. In 2017, S. M. Wilson posted \$230 million.
